Class/Block Search

When you click on the **Submit Registration** button, a screen similar to the following should appear (if it doesn't, please see the Common Error Messages section below).

[RETURN TO MENU](#) | [HELP](#) | [EXIT](#)

Register/Add/Drop Classes:

Use this interface to add or drop classes for the selected term. If you have already registered for the term, those classes will appear in the Class Registered Successfully section. Additional classes may be added in the Add Class table. To add a class enter the Course Reference Number (CRN) in the Add Class table. Please begin with the leftmost entry box. Classes may be dropped by using the options available in the Action field. If no options are listed in the Action field then the class may not be dropped.

When add/drops or waitlistings are complete, click the Submit Registration button.

If you are unsure of which classes to add, click Class/Block Search to review the class schedule.

IMPORTANT!

VERIFY YOUR COURSE SCHEDULE: Use the Student Detail Schedule link below to review and print your registration results.

You are attempting to register for a class outside your college, typically, it means that you are a day student trying to register for weekend classes.

A list of registration errors like the following typically means you are missing one of the classes from the predefined block or one of the classes in the block is full. You must register for a complete set of classes, all must be from the same block and all must have available seats.
